

April is National Minority Health Month! Here are some online resources about Asian American/Pacific Islander Health concerns you can use in to celebrate this month. For a link to a brochure, see:  
[http://nmlm.gov/mcr/resources/community/asian\\_american\\_resources.rtf](http://nmlm.gov/mcr/resources/community/asian_american_resources.rtf)

Asian-American Health page from MedlinePlus.gov  
<http://www.nlm.nih.gov/medlineplus/asianamericanhealth.html>  
From the National Library of Medicine you can find information here specific to Asian American health including prevention/screening, specific conditions, research, directories, statistics, and more.

NLM Exhibit "Changing the Face of Medicine"  
<http://www.nlm.nih.gov/changingthefaceofmedicine/>  
You can search by ethnic group on this site and see the featured Asian women doctors who have made significant contributions to their fields. Some biographies include extra photos and videos. The rest of the site provides activities, resources, and lesson plans for teachers.

Asian American Health  
<http://asianamericanhealth.nlm.nih.gov/>  
This Web resource, sponsored by the National Library of Medicine, is designed to increase public awareness of the health concerns faced by Asian Americans.

SPIRAL: Selected Patient Information Resources in Asian Languages  
<http://www.library.tufts.edu/hsl/spiral/>  
A joint initiative of the Tufts University Health Sciences Library and the South Cove Community Health Center, this resource provides increased access to Asian language electronic resources for consumers and health care providers.

healthfinder® "Just For You" - Asian Americans, Native Hawaiians, and Other Pacific Islanders  
<http://www.healthfinder.gov/justforyou/justforyou.asp?KeyWordID=217&branch=>  
The "just for you" page focuses on special health concerns based on gender, age, race, ethnic origin, or role in helping others care for their health.

womenshealth.gov - Health Problems in Asian American/Pacific Islander and Native Hawaiian Women  
<http://www.womenshealth.gov/minority/asian.htm>  
The National Women's Health Information Center provides a gateway to a vast array of Federal and other women health information resources.

National Institutes of Health - Asian American Health  
[http://health.nih.gov/result.asp?disease\\_id=55&terms=asian](http://health.nih.gov/result.asp?disease_id=55&terms=asian)  
A compilation of the National Institutes of Health resources on Asian American health concerns.
